Riverview Health to Host Volunteer Fair

Noblesville—The volunteer program at Riverview Health has been in existence for nearly 60 years and has helped provide special services to patients and their families. If you're looking to give back to the community through volunteering, be sure to visit the Riverview Health Volunteer Fair to find out how this opportunity might be right for you.

"Volunteering helps you to connect with the community," said Susan Beckwith, Riverview Health Manager of Volunteer Services. "Research has also proven that it's good for your health as it reduces stress and keeps you active."

The Volunteer Fair will be held from 1-4 pm on Thursday, September 25 at Riverview Health, main campus, inside entrance 9. Visitors will be able to speak with current volunteers and meet with Susan. Applications and on-site interviews will also be available.

For more information on how you can become a Riverview Health volunteer, please contact Susan Beckwith at 317.776.7236 or sbeckwith@riverview.org.

About Riverview Health
Riverview Health is comprised of a full-service, 156-bed hospital and 26 primary, immediate and specialty care facilities located throughout Hamilton and Tipton counties. Together, we provide comprehensive healthcare services in 35 medical specialties—and have frequently been recognized for our clinical and service excellence. For more information, visit riverview.org.
