Riverview Health Foundation Unveils New Donor Wall

On Thursday, May 19, Riverview Health Foundation unveiled its newly updated donor wall in the recently renovated atrium at Riverview Health. The wall features the names of more than 1,400 generous donors who each have given \$1,000 or more to the Foundation during the past 40 years.

“We’re truly thankful for all our donors,” said Megan Wiles, executive director of Riverview Health Foundation. “We intentionally included images of Riverview Health and Hamilton County landmarks on the donor wall to show how our gracious donors have invested not only in Riverview Health, but the health of our community.”

Riverview Health Foundation hosted 60 donors, including Riverview Health staff and volunteers, at the unveiling event. Guests enjoyed hors d’oeuvres and had the opportunity to meet new Riverview Health president and CEO, Seth Warren.

Riverview Health Foundation is celebrating its 40th Anniversary this year. With the support of its donors, Riverview Health Foundation has donated more than \$12 Million to Riverview Health during the past 40 years. **To learn more about Riverview Health Foundation and its 40th Anniversary, please visit riverview.org/foundation.**
