Riverview Health Foundation to Host 15th Annual Women of Vision Luncheon

Noblesville—Riverview Health Foundation will host its 15th annual Women of Vision Luncheon at Marriott Hotel at Keystone at the Crossing in Indianapolis on Thursday, April 25, 2019. The Diamond Sponsor is once again, CarDon & Associates. This year's keynote speaker will be Joy Fitzgerald, chief diversity officer at Eli Lilly and author of *The Journey to Joy*.

"We're happy to welcome a speaker who not only empowers women but also inspires others through real-life stories, both personal and professional," said Megan Wiles, executive director of Riverview Health Foundation. "Joy works locally in Indianapolis but is a global leader in her field and well-known speaker. We're thrilled to have her share her message of 'Igniting the Vision.' We are also grateful for the support of CarDon & Associates and so many other sponsors who help make this such an impactful event."

The Women of Vision Luncheon will benefit the Women of Vision Giving Club, which awards grants to more than 10 different Riverview Health programs impacting women served through Riverview Health. Grant awards for 2019 will be announced at the luncheon.

Registration and shopping will begin at 10:30 a.m. and the luncheon is at noon. Ticket prices are \$50 per individual and \$1,000 for corporate tables. Sponsorship opportunities are available. For more information, please contact Polly Craig at 317.776.7938 or pcraig@riverview.org. To register for the luncheon, visit riverview.org/womenofvision2019.
