## **Riverview Health to Host Diabetes Seminar**

Noblesville—Riverview Health will host a diabetes and your heart seminar from 6-7 p.m. on Thursday, May 9.

Join the diabetes educators at Riverview Health to learn how diabetes, particularly type 2, can have a serious effect on your heart health, including an increased risk for heart disease and stroke. They'll discuss how those with diabetes can improve their heart health and conclude the program with a Q&A session. The seminar will take place at Riverview Health in the Krieg DeVault Conference Room, located in the lower level of the Women's Pavilion. A light dinner will be served.
