## **New temporary visitation restrictions and elective surgery limitations at Riverview Health**

Noblesville—Riverview Health announced that effective immediately no visitors will be allowed except for one dedicated support person in maternity, situations involving end-of-life care and pediatric patients. Those individuals in outpatient procedural areas will be allowed one visitor at a time to accompany them. Allowed visitors must not have any flu-like symptoms and must be immediate family, parent, spouse or significant other.

In addition, beginning Tuesday, March 17, Riverview Health will limit surgical cases on a case-by-case basis.

### **About Riverview Health**

Riverview Health is comprised of a full-service, 156-bed hospital in Noblesville and a 16-bed hospital in Westfield. Also included are 23 primary, immediate and specialty-care facilities in Hamilton County as well one, soon-to-be four, combined ER and urgent care facilities. Riverview Health provides comprehensive inpatient and outpatient services in more than 35 healthcare specialties and has been frequently recognized for its clinical and service excellence. National achievements include Healthgrades America's 100 Best Hospitals for Orthopedic Surgery award (2019) and Outstanding Patient Experience award (2017-2018). The American College of Cardiology awarded Riverview Health with the NCDR Chest Pain–MI Registry Platinum Performance Achievement Award for 2019—an award Riverview Health has achieved six years in a row.
